Our Cover

Between tiny tots with their eyes all aglow and Jack Frost nipping on your nose, it's good to escape from all the holiday hulla-baloo and get on the radio. Whether you're chasing DX, looking for another multiplier, participating in a public service event or just chewing the rag with the ham across town, Amateur Radio is the one thing that draws us all together. So relax, put your feet up and enjoy all that the holiday season — and Amateur Radio — have to offer. Happy Holidays from ARRL HQ.
